PAYTON PLANAR MAGNETICS
DISTRIBUTION OF DIVIDEND ON JULY 19, 2017.

Ness Ziona (Israel) - On June 5, 2017, the Board of Directors of Payton Planar Magnetics proposed to distribute a gross dividend of USD 0.175 per share or an aggregate amount of USD 3,092 thousands as final dividend for the year 2016.

The dividend is submitted to one single tax of 15%¹. Accordingly, the gross dividend of USD 0.175 per share leads to a net dividend of USD 0.14875 per share. The rate of the above tax deduction is with accordance to tax treaties between Israel and the country of residence of the shareholder (Belgium).

Since the company is listed on the Belgian market and the Euro is the customary currency in Belgium, the payment will be done in Euro.

The date for the reimbursement will be Wednesday, July 19, 2017. Accordingly, all holders of shares at the close of the trading hours of Euronext Brussels on record date Wednesday July 18, 2017 will be entitled to receive a dividend. The payment will be completed by the custodian financial institution on the shareholders' accounts.
