

SUPPLEMENTAL REPORT TO MARCH 28, 2022 PRESS RELEASE

PAYTON PLANAR MAGNETICS
DISTRIBUTION OF DIVIDEND ON June 16, 2022

Ness Ziona (Israel) - On March 28, 2022, the Board of Directors of Payton Planar Magnetics announced distribution of a gross dividend of USD 0.454 per share or an aggregate amount of USD 8,023 thousands as dividend for the financial year 2021.

The dividend is submitted to one single tax of 15%¹. Accordingly, the gross dividend of USD 0.454 per share leads to a net dividend of about USD 0.386 per share. The rate of the above tax deduction is with accordance to tax treaties between Israel and the country of residence of the shareholder (Belgium).

Since the company is listed on the Belgian market and the Euro is the customary currency in Belgium, the payment will be done in Euro.

The date for the reimbursement will be Thursday, June 16, 2022. Accordingly, all holders of shares at the close of the trading hours of Euronext Brussels on record date Wednesday June 15, 2022 will be entitled to receive a dividend. The payment will be completed by the custodian financial institution on the shareholders' accounts.
